

Spiral Bed Socks

from
Madame Weigel's Journal of Fashion,
May 1, 1948

To fit any size.

Being heel-less, these socks give double wear as they may be continually turned and still fit well.

Materials.—3 ozs. 3-ply wool (medium size), 3 ozs. 4-ply wool (large size); 1 set of four No. 12 knitting needles.

Cast on 75 sts. (25 on each of three needles).

Work $\frac{3}{4}$ inches in rib of K.4, P.1.

From now on the purl st. is moved on one st. as follows:—

Next Round.— * P.1, K.4; rep. from * all round.

Next 6 Rounds.— Same as previous round (7 rounds).

Next Round.— K.1, * P.1, K.4; rep from * all round.

Next 6 Rounds.— Same as previous round (7 rounds).

Continue on this manner — moving the rib on one st. in next and every following 7th round, until the work measures $5\frac{1}{4}$ inches.

Start ankle shaping:—

Next Round.— Decrease by purling tog. each purl st. and following knit st. (20 sts on each needle).

Continue to work in spiral ribbing as before — moving the purl sts. over one, until work measures $14\frac{1}{2}$ inches (measure for length).

Shape Toe.— Work every purl st. and knit st. following it together, until 14sts. remain. Divide these sts. on to two needles and graft them. Work another sock in same manner.
